

## Massachusetts Rivers Month Calendar Event Form

Rivers Month is Coming - June 2008

**List your river event in the Massachusetts Rivers Month Calendar!!**

As you may know, since 1988 Riverways has compiled an annual **Massachusetts Rivers Month Calendar** as part of the national celebration of Rivers Month each June. The calendar is made available to thousands of river enthusiasts across the state and is a great way for watershed and other groups to publicize their river protection and/or restoration efforts. As many of you also organize great river-related events in May and July as well, we typically expand the "Rivers Month" concept a bit to include river-related events from mid-May to the July 4<sup>th</sup> holiday. So this year we intend to include all river-related events (canoe trips, river festivals, river art exhibitions, etc.) we hear about that will take place from **Friday, May 9<sup>th</sup> to Sunday, July 6<sup>th</sup>, 2008**.

We have prepared this Event Submission Form for your convenience to let us know the types of info we're seeking for the Calendar. You can fill this in and send it back to us, or get the same info to us in whichever format is most convenient to you. However you choose to respond, we'd like to receive your info by **Thursday, April 24<sup>th</sup>, 2008** so we have time to convert it into the right format and compile it with other events. (NOTE: If you can't make the **4/24 deadline**, send the info in to us anyway, and we will try to squeeze your event in to the Calendar – no promises, though.) Please copy this form for multiple events.
